

ASH SERVICE AWARD

Application for Fourth-Year Honors Students 2010-2011

Katherine and Darren Ash established the **Ash Service Award** to help cultivate and support a culture of community service within the UGA Honors Program. Awards will go to rising fourth-year Honors students who have demonstrated a serious and sustained commitment to service—whether it be service to the campus community, the Athens community, or the national/international community.

To be eligible you must be a rising fourth-year Honors student, planning to graduate in spring 2011. Award recipients will be recognized and asked to serve as community service leaders throughout their senior year, beginning with the Honors Program Convocation in August 2010 and culminating with the Honors Program Banquet in April 2011, when the awardees will be given a \$1,000 stipend.
