

Honors Internship Programs

Summer 2012 Application

Honors Internship Programs place students in summer internships in Washington D.C., New York, and Savannah. Internship sites include congressional offices, law firms, media companies, think tanks, and nonprofit organizations. Placements are determined by a variety of factors, including a student’s academic interests, professional goals, and skills. Interns work an average of forty hours a week for a minimum of eight weeks, and receive a stipend to offset travel and living expenses.

Second- and third-year (based on date of enrollment, not credit hours) Honors students in good standing are eligible to apply for internships in summer 2012. Submit your application package to the first-floor reception desk of Moore College by **5:00 p.m., Friday, October 21, 2011**. Interviews will begin in early November. Interns will be chosen by mid-December. Direct questions to Maria de Rocher, Coordinator of Honors Programming, 212 Moore College, 706-542-6908, derocher@uga.edu.
