

Honors Internship Programs Summer 2019 Application

The Honors Program helps place and supports students in summer internships in Washington, D.C., New York, and Savannah. Interns receive a substantial stipend to offset travel and living expenses, and in return are expected to work an average of forty hours a week for a minimum of nine weeks.

For New York and Savannah, internship sites are restricted to the Greater New York Hospital Association (2 interns), and the U.S. Attorney’s Office (1 intern). New York interns live in New York University dorms while the Savannah interns make their own housing arrangements.

For Washington D.C., known as Honors in Washington, we will select a total of 16 interns. Some students will be selected for specific placements (usually where past interns have worked), while others will be free to pursue new placements according to their interests. Past placements have included congressional offices, law firms, media companies, political consulting firms, and research organizations. All Honors in Washington interns will live in the UGA facility Delta Hall; housing will be paid for and interns who are not Foundation Fellows will receive an additional stipend.

Second- and third-year (based on date of enrollment, not credit hours) Honors students in good standing are eligible to apply for internships in summer 2017. Submit a hard copy of your application package to the reception desk on the first floor of Moore College by **Wednesday, October 17, 2018 at 12:00pm**. Interviews will begin in late October or early November. Participants will be chosen by mid-December. Direct questions to Maria de Rocher, Assistant Director of Honors and Programming, 212 Moore College, 706-542-6908, derocher@uga.edu.
