## 2017-2018 Major Scholarships

During 2017-2018, UGA students—especially Honors students—were again successful with regard to nationally competitive major scholarships, including two Schwarzman Scholars; three Goldwater Scholars (plus one honorable mention); one Truman Scholar; one Udall Scholar (plus one honorable mention); 18 Fulbright Scholars; four Boren Scholars; and six Critical Language Scholars.

UGA was one of only eight universities nationwide that had at least one recipient of all three of the major undergraduate national awards—the Goldwater, Truman, and Udall scholarships.
