

## HONORS INTERNSHIP PROGRAMS

### SUMMER 2023 APPLICATION

The Morehead Honors College helps place and supports students in summer internships in Washington D.C., New York, and Savannah. Interns receive a substantial stipend to offset travel and living expenses, and in return are expected to work an average of forty hours a week for a minimum of nine weeks.

For New York and Savannah, internship sites are restricted to the Greater New York Hospital Association (2 interns), and the U.S. Attorney's Office (1 intern). New York interns live in New York University dorms while the Savannah intern makes their own housing arrangements.

For Washington D.C., known as Honors in Washington, we will select up to 16 interns. The program welcomes students from all majors who have a compelling reason to intern in Washington. Because the program is interested in having some portion of the cohort work in Congress, applicants interested in Congressional placements may have some advantage. However the program encourages participants to apply to any internship that suits their interests, and indeed many each summer work "off the Hill." While students are responsible for securing an internship, the program will assist them in their search. All Honors in Washington interns will live in the UGA facility Delta Hall; housing is covered and interns who are not Foundation Fellows will receive an additional stipend.

Current second- and third-year (based on date of enrollment, not credit hours) Honors students in good standing are eligible to apply. The application deadline is **Wednesday, October 26, 2022 at 12:00pm**. Interviews will begin in early November. Participants will be chosen by mid-December. Direct questions to Maria de Rocher, Assistant Dean of Honors: [derocher@uga.edu](mailto:derocher@uga.edu). Submit your application as one pdf to Kora Burton, Student Affairs Professional: [kla07590@uga.edu](mailto:kla07590@uga.edu).
